START SAVING NOW!

SAVE UP TO 75%

Tired of paying too much for prescription drugs?

Write your name on this Matrix Discount Drug Card and take it to your pharmacy. The Matrix Card will provide savings on approximately 80 % of prescription drugs. On average, savings will be 55% on generic drugs and 15% on brand drugs.

CONVENIENCE

The Matrix Discount Drug Card is accepted in over 56,000 network pharmacies nationwide including all major chains! Go to freediscountrxcard.com to find a pharmacy near you.

NO LIMITS

Everyone qualifies immediately for the Matrix Discount Drug Card!

No age, employment, waiting period, citizenship, or pre-existing condition requirements.

This plan is not insurance.

You must present your card at a participating pharmacy to receive discounts. Savings may vary by pharmacy. By using this card, you agree that you are responsible for paying the entire prescription cost of the medication after the application of any applicable discount.
